

Finsa Notice

This notice is provided in accordance with the Swiss Financial Services Act (FinSA) and its implementing ordinance (FinSO).

Scope of Services: Mydo AG provides services including investment strategies, wealth management, financial advisory, tax optimization guidance, lending solutions, and real estate advisory. The specific nature, scope, and risks of each service are described in the relevant client documentation provided prior to engagement.

Client Segmentation: Under FinSA, clients are classified as retail, professional, or institutional clients. Your classification determines the level of regulatory protection afforded to you. You will be informed of your classification and have the right to request reclassification, subject to applicable conditions.

Risks: Financial and investment services carry inherent risks, including market risk, currency risk, liquidity risk, and the potential loss of invested capital. Clients should carefully review all risk disclosures before entering into any agreement.

Ombudsman: In the event of a dispute, retail clients have the right to initiate mediation proceedings before a recognized ombudsman's office in Switzerland, free of charge.

Prospectus and Key Information Documents: Where applicable, relevant prospectuses and key information documents (KIDs) for financial instruments will be made available to clients prior to purchase.

This notice is a summary for informational purposes and does not replace the full FinSA client documentation, which will be provided directly to clients.
